

Maserati - Ghibli 2.8

Ghibli 2.8

For sale is an elegant Maserati Ghibli 2.8 from August 1997 with a mileage of only 71,500 km. The vehicle comes from a larger private collection and has always been treated with great care. The Ghibli combines Italian sportiness with timeless elegance and today counts among the sought-after young classics of the Maserati brand. With its powerful 2.8-liter V6 Biturbo engine, it offers impressive performance and the characteristic sound for which Maserati is well known.

Overall, the vehicle is in a neat and well-maintained condition. Both visually and technically, the car presents itself solidly and has been driven regularly - ideal for enthusiasts of Italian sports cars.

The Maserati impresses with its classic design, high-quality materials in the interior, and its now rare combination of luxury and sporty performance.
