

BMW - Z8 Roadster

Z8 Roadster

The BMW Z8 Roadster

BMW's style icon of the 2000s, James Bond's vehicle of choice in "The World Is Not Enough," the legitimate successor to the 507... a vehicle full of emotion and stories, unmatched by BMW to date.

We are offering you the extraordinary opportunity to purchase this accident-free collector's vehicle from a second owner (for over 20 years), whom we know personally.

Only 667 of the 5,703 Z8s built were delivered in black/black.

Exterior color: 668 Black 2 (solid)
Interior color: P1SW full leather nappa black
Convertible top color: black

Special equipment:
428 warning triangle and first aid kit, 672 6-disc CD changer, 775 anthracite headliner, 801 country version Germany, 863 dealer directory Europe, 0879 onboard literature German

The factory delivery scope includes the hardtop in the vehicle color (including stands and storage cover), an indoor car cover, the birth certificate including chassis number plaque, and the Motorola cell phone.

In addition, the Z8 Performance Kit (strut brace and strut reinforcement) has been installed, and the appearance has been enhanced by the 20" Alpina wheel set (the original wheel set is of course still available). Furthermore, a Becker Cascade Pro (Bluetooth) has been installed, and the original radio is of course still available.

In 2017, the paintwork was additionally protected with a transparent stone chip protection film (PPF).
