

## Lotus - 3-ELEVEN

### 3-ELEVEN

For sale is an extremely rare and exclusive Lotus 3-Eleven with serial number 05 out of only 311 vehicles produced worldwide. This example is therefore one of the earliest cars of the entire series and a true highlight for collectors and enthusiasts. The Lotus 3-Eleven is considered one of the most radical road- and track-capable sports cars of the brand – uncompromising, lightweight, direct, and built for maximum performance. The vehicle is in a well-maintained condition and has always been carefully cared for. It offers an incomparable driving experience: open bodywork, low weight, high downforce, and an impressive power-to-weight ratio make the 3-Eleven a pure driving machine. Exactly what Lotus stands for.

Special features of this vehicle:

- Serial number 05/311
- Puristic lightweight concept
- Spectacular driving dynamics on the road and especially on the racetrack
- Ideal for collectors, trackday drivers, or Lotus enthusiasts
- Built in low numbers, hardly available – ready to drive immediately

Optional equipment:

Special paint 4: matte black / phantom-black stripes  
removable steering wheel  
passenger seat with four-point harness  
Michelin Cup 2 tyres (225/40-18 front / 275/35.19 rear)
