GranTurismo S

Maserati GranTurismo S F1 - Grigio Alfieri - Only 37,300 km - Service & Clutch Recently Replaced
For sale is a well-maintained Maserati GranTurismo S finished in the elegant special paint Grigio Alfieri Metallic with an exclusive Nero full leather interior. This vehicle combines timeless Italian design with the unmistakable sound of the naturally aspirated V8 engine and the sporty 6-speed F1 transmission.

With only 37,300 km, this GranTurismo is presented in very well-maintained overall condition. In addition to its classic colour combination, the vehicle impresses with its extensive equipment and the high-quality craftsmanship of the interior.

A particular highlight is that both the service and the clutch have been replaced recently. As a result, the vehicle is technically up to date and ready for many more kilometres of driving enjoyment.

VERBRAUCH / EMISSIONEN

The Maserati GranTurismo is one of the last true classic grand tourers powered by a naturally aspirated V8 engine and embodies Italian sports car heritage at its finest. Its unmistakable sound, perfectly balanced proportions and emotional driving experience have already made it a highly sought-after modern classic.
