

## Porsche - 928 GTS

928 GTS

Porsche 928 GTS | Year: 07/1992 | 152,000 km | First registered in Germany

The 928 GTS is considered one of Porsche's great classics—and this example shows exactly why.

First registered in Germany, with exclusively German registrations, and a maintenance history that leaves nothing to be desired: Over 66,000 euros have been invested to keep this vehicle in a condition that lives up to its reputation. At the heart of it all is the complete engine overhaul performed in 2023 at 149,000 km.

No maintenance backlog, no questions—just a well-maintained classic with all the trimmings.

Factory-installed options:

TF full leather in Classic Gray, 139 heated driver's seat, 327 Symphony RDS cassette radio, 340 heated passenger seat, 513 lumbar support for passenger seat, 586 lumbar support for driver's seat, 650 electric steel sunroof
